## Register for 2-Day Funded K-12 Teacher Educational Workshop on SCADA in the classroom

**LOCATION:** Indian River State College in Fort Pierce, FL

**DATE:** June 5-6, 2024

**VALUE:** Attendees will get paid hotel, meals, and classroom lab equipment valued at over \$2,000 for your program

This training is sponsored by a National Renewable Energy training center, the National Science Foundation, and NextEra Energy (FPL) teaches K-12 educators how to add renewable energy into their classroom and you leave with all the equipment and curriculum to do this. No prior knowledge needed.

**REGISTRATION:** Complete the application form [HERE](#)

**CONTACT:** Jen Chopra at [jenny Chopra@lescreative.co](mailto:jenny Chopra@lescreative.co) or (561) 713-9729 with any questions.

This project is supported by  
National Science Foundation grant TIP -2228959
